Gwalior (M.P.)

Summary

The academic calendar at ITM Gwalior is meticulously designed to align with the academic calendar of affiliating universities. It serves as a comprehensive framework that organizes the entire academic year, ensuring the seamless integration of teaching, learning, assessments, and co-curricular activities.

Key Features of the Academic Calendar:

- Structured Semester Planning:** The academic calendar delineates the start and end dates of each semester, including breaks, holidays, and examination periods. This structured approach ensures that all stakeholders are well-informed and can plan their activities accordingly.
- Comprehensive Assessment Schedule:** The calendar includes detailed timelines for internal assessments, including Mid-Term exams, quizzes, and project submissions. By clearly defining assessment periods, the institution ensures that students and faculty can manage their workload effectively, contributing to the accurate measurement of learning outcomes.
- Integration of Student-Centric Activities:** To enhance the learning experience, the academic calendar incorporates Student Centric Learning Activities (SCLA), Activity-Based Continuous Assessment System (ABCAS), and Project-Based Learning (PBL) sessions. These activities are strategically placed throughout the semester to foster engagement, practical learning, and the development of critical thinking skills.
- Periodic Review and Updates:** The academic calendar is reviewed periodically as and when required depending on feedback from stakeholders. This iterative process ensures that the academic calendar remains relevant and continues to support the academic progress of the institute.
